No best-selling novel ever unrolled with the wiftness of pace that marks your course through the pages of KEN. It has all the drams, all the suspense, all the action that any work of frience ever captured between two covers. With this difference: when you finish a novel, you've read a story—when you finish your copy of KEN, you've gone a long ways toward a commonsense evaluation of the tops-turny world you like in.

KEN is on the newsstands now and every other Thursday
